

**33rd International Congress on Social and Environmental Accounting
Research (22–24 August 2023)
preceded by 10th Emerging Scholars Colloquium (21 August 2023)**

**THIRD AND LAST CALL FOR PAPERS
Submission Deadline: 28 April 2023**

This residential conference at **The University of St. Andrews** is a gathering of academics, practitioners and researchers who focus on the teaching, research, theory and practice of social, environmental and sustainability accounting and reporting. The spirit of the conference is interdisciplinary and so submissions are also invited from perspectives beyond accounting. Please note the conference venue and the submission date.

The CSEAR conference provides a forum for scholarly work in various stages of development and explicitly encourages open discussion as well as close collegiality.

Two types of submissions are encouraged this year: (1) **full papers** and (2) **work in progress**. Authors submitting full papers are expected to provide a **complete manuscript** by the submission deadline, whereas authors submitting a work in progress are invited to submit a **300-word abstract**. Please note that abstracts will be made available to all delegates prior to the conference.

VERY IMPORTANT: Submissions **must be made online** on this platform: <https://easychair.org/my/conference?conf=csearuk2023>. This platform requires the creation of an account as author and **follow the instructions**.

- If you submit a **full paper**, you will be required to upload a Word file.
- If you submit an **abstract**, please copy and paste your **abstract** onto the appropriate field (**please do NOT upload any file for abstracts**).

Note that given the limited space for presentation slots, an author can submit and present **only one paper**. However, a presenter can always be a non-presenting co-author on additional papers. The submission deadline is **28 April 2023** and paper acceptance will be notified by **29 May 2023**.

Online Presentations

In response to feedback, we have decided to open a **LIMITED** number of spaces for online presentation. We aim to make this a diverse conference, meaning we will look to include scholars from countries outside Western Europe, who may be facing financial constraints, or those who have limited mobility. These spots **WILL NOT** be reserved for presenters who decide not to attend the conference in-person at a later date. If you wish to present your paper **online** at the conference, you must indicate this when making your submission as follows:

- Only **abstract** submissions please
- Copy and paste your abstract onto the appropriate field
- Indicate "ONLINE [time zone]" in the first keyword

Online presentations will run as **parallel sessions** of the conference, will be made on a virtual platform and will be open to paid CSEAR members (at the time of the conference).

Plenary Speaker

We are delighted to announce that our confirmed plenary conference keynote speaker is [Juliane Reinecke](#) from Saïd Business School, Oxford University.

Organising Committee

Registration

We anticipate heightened demand for places and urge early registration. The [CSEAR website](#) will soon provide charges and full details of how to register at: <http://csear.co.uk>. Registration will open in Spring 2023.

Best paper award

All full paper submissions will be eligible for the best paper recognition, which will be awarded through a blind review conducted by an ad hoc committee.

Emerging Scholars Colloquium (21 August)

The 33rd CSEAR International Congress will feature the 10th CSEAR Emerging Scholars Colloquium. The colloquium aims to introduce emerging scholars to the social and environmental accounting research community, and providing them an opportunity to present and discuss their research projects alongside a cohort of distinguished international faculty. Further details about the colloquium will be provided in a separate call for applications and on the [CSEAR website](#).
