

**35<sup>th</sup> International Congress on Social and Environmental Accounting  
Research (26-28 August 2025)  
preceded by Emerging Scholars Colloquium (25 August 2025)  
and CSEAR ECoP Fringe event (25 August 2025)**

**THIRD CALL FOR PAPERS  
Submission Deadline: 27 April 2025**

This residential conference at **The University of St. Andrews** is a gathering of academics, practitioners and researchers who focus on the teaching, research, theory, and practice of social, environmental and sustainability accounting and reporting. The spirit of the conference is interdisciplinary and so submissions are also invited from perspectives beyond accounting. Please note the conference venue and the submission date.

The CSEAR conference provides a forum for scholarly work in various stages of development and explicitly encourages open discussion as well as close collegiality.

Two types of submissions to the main conference are encouraged this year: (1) **full papers** and (2) **work in progress**. Authors submitting full papers are expected to provide a **complete manuscript** by the submission deadline, whereas authors submitting a work in progress are invited to submit a **250-word abstract**. Please note that abstracts will be made available to all delegates prior to the conference.

While we are open to a wide range of research topics in social and environmental accounting, we encourage those that explore the interplay between sustainability research and education.

**NOTE:** research submitted to the Emerging Scholars Colloquium cannot be submitted to the main conference. Emerging Scholars wishing to present at the main conference must submit work that is substantively different to that which is presented at the Emerging Scholars Colloquium.

#### Online presentations

The conference provides the possibility for online presentation. Online presentations will run as parallel sessions of the conference, will be made on a virtual platform and will be open to paid CSEAR members (at the time of the conference).

**NOTE:** that given the limited space for presentation slots, an author can submit and present **only one paper**. However, a presenter can always be a non-presenting co-author on additional papers. The submission deadline is **27 April 2025** and paper acceptance will be notified by **30 May 2025**.

#### Best paper award

All full paper submissions will be eligible for the best paper recognition, which will be awarded through a blind review conducted by an ad hoc committee.

#### Plenary Speaker

We are delighted to announce that our confirmed plenary conference keynote speaker is [Tim Ingold](#), Professor of Anthropology at the University of Aberdeen.

#### ECoP (25 August, 2025)

The CSEAR Education Community of Practice (ECoP) will host an in-person workshop on the theme of *"From the curriculum to the classroom: Reimagining accounting education"*.
